

Shiva (<http://www.shiva-inc.com>) is a minority woman owned small, disadvantaged, business that is also certified as an 8(a) enterprise by the SBA through June 2011. We are working with Federal and commercial clients respectively including the Department of Housing and Urban Development (HUD), United States Department of Agriculture (USDA), Small Business Administration (SBA), Environmental Protection Agency (EPA), Fannie Mae, Bank of America, Manhattan Mortgage, and others.

Many of our strategic business partners include but are not limited to EDS, Lockheed Martin Corporation, Computer Sciences Corporation, Unisys Corporation, ITS Services, Inc. (Apogen), PricewaterhouseCoopers LLP, and others.

Developing World Class Solutions Building Business Bridges

Core Competencies

- ▶ Extensive Federal Government experience
- ▶ Systems administration and Operation support
- ▶ Database management and administration
- ▶ Applications development and maintenance
- ▶ Infrastructure support and Network administration
- ▶ Staff augmentation.

Shiva's mission is to use our extensive IT experience to deliver tangible business results—enabling our clients in industry and government to profit from the advanced use of technology. We strive to build long-term client relationships based on mutual trust and respect.

Shiva uses industry best practices to include CMM and CMMI processes for software development and maintenance to provide structure, quality control, effectiveness, and efficiency on all of its client engagements.

All of these services are being delivered successfully through the utilization of innovative project management methodologies, a philosophy of continuous collaboration with our customers, and the ability to form “true partnerships” – with the COTRs, GTMs, GTRs, as well as with the other contractors working in these agencies.
